KINDERGARTEN 2020-2021

Dear Parent(s) and/or Guardian(s):

A very warm welcome to you and your child to Wilson Elementary School! We are excited to have you and your child join our kindergarten program. Parents and teachers play an active role in a child's education. With that in mind, we look forward to a successful partnership with you.

Within the next few days, you will be receiving information from your child's teacher on how you and your child can access the Google Classroom site for your child's class. You will use this information to log into your child's class for the **first day of school on Thursday, September 3rd**. *The schedule is different this year due to our virtual learning.* Arrival time to virtual class is between 8:50am and 9:04am each day. Over the first few days and weeks, our teachers will guide you and your child through our virtual format as well as the classroom procedures, routines, and expectations. Each day will follow a set schedule with time for specials, lunch, and few "brain breaks." Individual classroom schedules will be shared by your child's teacher. However, the Early Dismissal schedule for phase 1 of our restart plan can be found on the following page. You will notice that each grade level has a designated lunch period that remains the same each day. You will also notice a schedule for the first two days of school. Your child's teacher will not have office hours on these two days.

On September 3rd and September 4th, we will be holding a materials pick up for our kindergarten students. Each class will have a designated time period in which parents can come with their child to pick up materials to support the virtual learning. The schedule is listed on the following page. Parents will pull into our parking lot where there will be signs and staff members to guide you through our pick-up process. You and your child will remain in the car while we hand you the instructional materials through your car window. After receiving the materials, you will be directed to a designated point on the playground where you will have the opportunity to get out of the car and take a "first day of school" picture of your child. Our PTO has arranged to have a treat for our students to receive an ice pop "for the road." The PTO also has a gift for your child as well as having information on the PTO and Wilson apparel for sale.

We will still be having an in-person kindergarten orientation as we would during a regular school year. This orientation will take place shortly before we begin phase 2a of our restart plan. As of now, we are planning to enter phase 2a on November 12th. You will be receiving more information about orientation as we get closer to that date.

Should you feel that there are exceptional aspects to your child's growth and development, pre-school education, custody issues, or transportation needs, please feel free to contact me as soon as possible. I shall be present on September 3rd and 4th at pick up if you would like to talk to me personally.

We look forward to starting your child's academic journey on September 3rd. Again, please feel free to call or email me should you have any further questions or concerns. You are going to love Wilson School!

Sincerely,

Timothy J. Byrne
